Blue Hawk Volleyball is excited to announce the dates for their youth individual skills camp. Last year we had over 150 campers attend! This camp is designed to introduce young athletes to the sport of volleyball. The majority of practice is spent on the introduction of basic skills in a fun learning environment. All of the basic skills (passing, attacking, setting, individual defense, etc.) are covered. Every player at camp will have the chance to learn every skill, making the all-skills camp one of the best experiences for beginning and younger players.
